

How to register for the Energy Progress & Innovation Conference

If you have not created a profile account on our registration site (registeratbsc.com) before, you must do so before you can register.

- In the menu on the left, click FAQ for help on how to create a new profile.
- **This step can be done any time prior to registering.**
- **The name and contact information on this profile should be the primary booth contact person. This information will be included in the conference program book.**

Once you create your account, please keep your username and password in a safe place for easy access because it will be required for any future registrations.

- If you can't remember your username, click ***Forgot your username*** to have your username sent to the email address on record for your profile.
- If you forgot your password, click ***Forgot your password*** to request a password reset.

Please note, our staff are unable to reset passwords due for privacy and security reasons. For further assistance our staff are available at 701-224-5600 or 1-877-846-9387 between the hours of 8 AM and 4 PM CT Monday through Friday excluding some holidays.

Please note that anytime it says "Student", the term "Student" also applies to organization contacts and employees.

Start by clicking here to log in or to find the link to create a new profile.
